

BLOOMICE REACH COMPLIANCE STATEMENT

Chemical Regulatory Compliance – UK REACH & EU REACH

Regulatory Commitment

Bloomice is committed to full compliance with applicable chemical regulations governing the safe manufacture, import, distribution, and supply of products. Bloomice maintains compliance with both UK REACH and EU REACH, where applicable to the markets in which products are supplied.

UK REACH Compliance (Great Britain)

Bloomice confirms compliance with UK REACH, the United Kingdom's regulatory framework governing the Registration, Evaluation, Authorisation and Restriction of Chemicals, administered by the UK Health and Safety Executive (HSE).

Bloomice confirms that:

- Products supplied into Great Britain (England, Scotland and Wales) comply with UK REACH regulatory requirements.
- Bloomice maintains procedures to identify and manage substances listed on the UK REACH Candidate List of Substances of Very High Concern (SVHC).
- Where applicable, Bloomice provides sufficient information to customers to ensure safe product use where SVHC concentration exceeds 0.1% weight by weight (w/w).
- Products are monitored against UK REACH restriction requirements equivalent to Annex XVII.

EU REACH Compliance (European Union & Northern Ireland)

Bloomice confirms compliance with Regulation (EC) No. 1907/2006 (EU REACH) for products supplied to:

- European Union Member States
- Northern Ireland, in accordance with applicable regulatory arrangements

Bloomice confirms that:

- Products are assessed against the EU REACH SVHC Candidate List.
- Customers receive required substance information under Article 33(1) where applicable.
- All supplied products comply with restrictions listed within Annex XVII of EU REACH.

Supply Chain & Monitoring Controls

Bloomice maintains documented compliance procedures including:

- Supplier regulatory declarations and material composition verification
- Ongoing monitoring of updates to UK REACH and EU REACH legislation
- Periodic review and update of compliance documentation
- Maintenance of technical data to support safe product use
- Continuous Regulatory Review

Bloomice recognises that UK and EU REACH legislation may diverge over time. Bloomice actively monitors regulatory developments and updates compliance controls and customer communications accordingly.
