

## BLOOMICE RESTRICTION OF HAZARDOUS SUBSTANCES (ROHS) COMPLIANCE STATEMENT

### Statement of Compliance

Bloomice confirms that all applicable products supplied, manufactured, or distributed by the company are compliant with the requirements of the Restriction of Hazardous Substances (RoHS) legislation applicable within the United Kingdom and the European Union.

This declaration is made in accordance with the following legislation and amendments:

### European Union

- Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 2)
- Directive (EU) 2015/863 (RoHS 3 Amendment)
- EN IEC 63000:2018 – Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances

### United Kingdom

- The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 (SI 2012 No. 3032)
- As amended by UK Statutory Instruments following EU Exit
- UKCA compliance requirements where applicable

### Restricted Substances

Bloomice confirms that applicable products comply with the maximum concentration values by weight in homogeneous materials for the following restricted substances:

| <u>Substance</u>                      | <u>Maximum Concentration</u> |
|---------------------------------------|------------------------------|
| Cadmium (Cd)                          | < 100 ppm (0.01%)            |
| Mercury (Hg)                          | < 1000 ppm (0.1%)            |
| Lead (Pb)                             | < 1000 ppm (0.1%)            |
| Hexavalent Chromium (Cr VI)           | < 1000 ppm (0.1%)            |
| Polybrominated Biphenyls (PBB)        | < 1000 ppm (0.1%)            |
| Polybrominated Diphenyl Ethers (PBDE) | < 1000 ppm (0.1%)            |
| Bis(2-ethylhexyl) phthalate (DEHP)    | < 1000 ppm (0.1%)            |
| Benzyl butyl phthalate (BBP)          | < 1000 ppm (0.1%)            |
| Dibutyl phthalate (DBP)               | < 1000 ppm (0.1%)            |
| Diisobutyl phthalate (DIBP)           | < 1000 ppm (0.1%)            |

## Supporting Environmental Compliance

Bloomice products are also designed and supplied in alignment with the following environmental regulatory frameworks where applicable:

- EU Waste Electrical and Electronic Equipment Directive (WEEE) 2012/19/EU
- UK Waste Electrical and Electronic Equipment Regulations 2013
- China RoHS II (where product distribution applies)

## Compliance Assurance and Supply Chain Control

Bloomice maintains internal procedures and supplier verification processes to ensure compliance including:

- Supplier declarations and material composition verification
- Risk-based compliance assessments and product conformity reviews
- Technical documentation retention in accordance with EN IEC 63000
- Ongoing monitoring of regulatory updates in UK and EU jurisdictions

Compliance is based upon supplier certifications, product material data, manufacturing process control, and where applicable, independent verification.

## Scope and Limitations

This declaration applies to Bloomice products supplied under normal and intended use conditions. Any modifications, misuse, or unauthorised alterations to supplied products may invalidate compliance.

This declaration is issued in good faith based upon currently available regulatory and supplier information.
